

Disclaimer: The referral list and individual skippers provided herein do not in any way represent, warrant, or guarantee competency of the referred skipper. While Bluesail Group LLC has conducted a thorough check of each skipper's competency, Bluesail Group LLC does not endorse or require a bareboat charterer to hire from this list. Bluesail Group LLC recommends interviewing several candidates, verifying experience and credentials, and obtaining referrals before hiring as crew. A bareboat charterer may hire any qualified skipper he/she wishes, however the chosen skipper must either a) hold a valid International Certificate of Competency (the "ICC"), b) hold a valid Sailing License & Credentials (the "SLC"), or c) successfully pass an on-site competency evaluation overseen by an approved SLC Assessor selected by Bluesail Group LLC.
